SMC TRAVEL PASS GUIDELINES

The **SMC Travel Pass** entitles you to daily travel on the College direct service buses for one Academic Year (term-time only). **Most students apply for a subsidised travel pass on their enrolment day**, though it is possible to apply once term has started.

In order to process your Travel Pass application, we will require the following:

- A payment by cash or by cheque made payable to St Mary's College for the amount of the Pass
- A completed Travel Pass Application form
- A passport sized photograph with your name and address written on the reverse

All **SMC Travel Pass** application forms and price details (subject to annual changes) are available from **SMC Student Services** and we will be happy to help with all your general enquiries regarding transport:

SMC TRANSPORT

At SMC we offer a number of different transport services to help you to get into College safely.

This leaflet aims to provide you with the information that you need to plan your journey effectively.

We provide direct service buses which operate twice daily, i.e. in time for the start and finish of the College day (valid for term-time only). There is a charge for the bus services but the price of the **SMC Travel Pass** is subsidised by the College to make it more affordable for you. For further details about applying see the SMC Travel Pass Guidelines overleaf.

Those of you who require more flexible access to transport, including evenings and weekends, etc. may wish to look at information about **spotOn** bus services.
